## APRIL 2024 NEWSLETTER

### FROM THE PASTOR'S DESK

*Lord, help me to be grateful for what I have, to remember that I don't need most of what I want, and that joy is found in simplicity and generosity. Amen. --Adam Hamilton*

#### Enough.

For me, this year Lent was the usual forty days—but it has sure *seemed* longer in a lot of ways. There's just so much pain and suffering in the world! And my helplessness factor feels off the charts at times. What can I possibly do to make any difference?

The first thing we can do is *not to look away*. Pain is part of Life. Loss is part of Life. Death—is part of Life. In his brief ministry, Jesus never looked away. Rather, he embraced those who were hurting or dying or losing hope and offered them healing. And as he often reminded them, *your faith has made you whole*.

It's really hard to watch the news and see the brutality of war day after day in Gaza and Ukraine; closer to home, to see the faces of those whose next meal is in doubt, or who have no home to go to.

We could just look away or make excuses. After all, Jesus reminded Judas and the others: *the poor you will always have with you*.

But Jesus' words didn't end there. *The poor you will always have with you, and you can help them any time you want. We* can help the poor any time we choose to.

When Jesus was being beaten and whipped, ridiculed and despised, it was then, *in the suffering*, that he came to realize God's Love was sufficient.

Living into the love of Almighty God allows us to give more freely to those who have less. Even when our resources feel tight, we can offer a smile instead of looking away. Take a moment to listen to someone *with our full attention*. We live in a beautifully diverse world; yet in our diversity, we share some very common needs: We want to be *loved, respected and listened to* (and actually *heard*). Not one of those things cost a single penny.

Truly living within the love of God is **enough**.

Peace, Hope and Love,  
Pastor Heidi
