FROM THE PASTOR'S DESK

Question: There seems to be a lot of excitement around the church. What's going on?

There is a lot going on around the church. One of the most visible changes is the renovations to the sanctuary. For years there has been a problem seeing during worship if you sit in the side space. Also it is difficult for a physically challenged person to find a place to sit. The current renovations to the choir loft area will help to alleviate those issues. The choir loft is being expanded to accommodate the growing music program. The organ and piano will be adjusted in order to give sight lines into the side space. Two pews from the front of the church will be relocated into the side space to make room for the musical instruments and for seating space for physically challenged persons. The relocation of the two pews will also make the side space feel more like part of the sanctuary, with a clearer view. New carpeting is also being installed to bring the space together. I want to thank Doug, Dick, and Devin, who did the building of the new decking. I especially want to thank Doug, who for the past year has been moving all the instruments and equipment each Sunday as the band sets up and breaks down. Thanks, Doug! That's a lot of work!

Likewise, there has been a change in the direction our music program is going. As of the beginning of October, there are three people working as a team to direct our music program. Ken Mehalko is graciously leading the Chancel Choir as we search for a Choir Director. He has already brought many new members to the choir, and we will need that space created in the renovation. Elena Taylor is directing the Praise Band, as well as playing the keyboard, organ and piano for worship services. Elena has also begun a Children's Choir and a Children's Instrumental Program. She has also brought four new musicians to the Praise Band. If she keeps going, it might just become the Praise Orchestra! Barb Fraunfelder has begun to lead the Bell Choir and will help Elena with tone chimes for the Children's Choir. Barb has also begun teaching various levels of bells from beginner through advanced. Wow! It's amazing to see all this happening. I know we will again be seen as one of the top churches for music perhaps in all of

Strongsville and the Cleveland area. You have to hear the beautiful music at both services!

We are also starting a new Wednesday FREE LUNCH program. Everyone who would like a free lunch, regardless of your circumstances, is welcome to come Wednesday at noon beginning the second Wednesday in November for lunch. I'm going to need lots of help. Soup, sandwich, dessert, drinks and fellowship are all part of this program. I hope the word spreads, and more and more people come. This will be EVERY WEDNESDAY at noon.

It's also time for our Thanksgiving food drive. Please remember to bring your food to church. Last year we fed 50 families for Thanksgiving. This year we hope to provide food for 75 families. The list of food is on page 3 of this newsletter.

Finally, it's pledge season. This year's theme is *A Time to Grow*. Last year we took a step, and this year we all need to take another step. We all should try to enact our faith by challenging ourselves to become tithers. Each 1% we undertake is a step toward becoming a tither. I will be frank here and ask you to please pledge to the ministry of Jesus Christ through Strongsville UCC. This past year we have done much better than years gone by, but there is still need. Each month we seem to make it— but just by the skin of our teeth. We all need to try our best to step up and help. Jack and I are strong believers in the tithe and continue to make that pledge, and we will seek to give a gift, in addition to our pledge, if we can.

DIACONATE DAILIES !

Hi All! As we welcome fall weather and the changing and falling leaves, I think about all the exciting things that begin to happen at our church in the Fall. Some things started in October and will continue into November! We have already started collecting food for our Thanksgiving Baskets. Please help us if you can. We have a goal of 75 baskets! If you know of someone in need this holiday season, please let the church office know or fill out the form on the back of your Attendance Card.

On November 2 we will honor our loved ones for All Saints Day. If you would like to remember someone, please write their name on the back of your Attendance Card. We will light candles during the service in their memory.

Please join the Diaconate for a French Toast Breakfast on November 16. We will be opening our breakfast to the public and will offer French toast, eggs, sausage, coffee cake, and beverages. We will serve breakfast from 8:30 a.m. to 12:30 p.m. Tickets will be available starting November 2.

On November 23 our church will again open its doors to the public. We will have a live nativity with live animals including Charlie the Camel, music, goodies, and much more! Please mark your calendars and help with this church-wide event! Sign-ups will be available soon in Pilgrim Hall.

We will again be looking for help to decorate the church for Christmas. More information will follow in the coming weeks. Also we ask everyone to please think about serving on a committee in our church. The Nominating Committee will be looking for people within the next month or two, so please think about serving.

We have great plans coming up for the Advent season. Please plan to join us this Fall!

ORGAN RESTORATION COMMITTEE REPORT October 2014

The third phase of restoration, which involved rebuilding the Choir division of the organ, is now complete. Some additional work involving the air reservoir system was also performed during this phase to save money. This work was necessary for the organ's proper performance. The organ has had this problem since its initial installation 45 years ago. The deficiency in the air supply system was not discovered until after the second phase of restoration was completed. You may hear a random "cipher" for the next month or so until all of the new components settle in and all of the dust is purged from the chests.

The committee is, as always, very grateful to the congregation for their continuing donations to the restoration of our pipe organ. We plan to continue holding our pancake breakfasts twice a year, as they are very worthwhile fundraisers. After all, who doesn't like pancakes? The clambake dinner took place on October 18, and we thank all participants of this event who bought tickets and helped put on the event. Special thanks to Pastor Becky and Jack for holding the event at their house.

Since the ORC is only one committee within the church that is looking for available funds for their projects, we understand the need for other groups within the church to fund raise for their projects. Please support those other worthwhile projects as well as the ORC's. It may take a little longer till we start the fourth phase of restoration, but we are committed to completing the organ restoration that our congregation approved. We may add other fun fundraising events, as scheduling permits; but again, we are sensitive to other groups that have more immediate fund-raising goals.

Respectfully submitted,
James R. Heinrich

2015 ANNUAL ALL-FAMILY CHURCH WINTER RETREAT AT PILGRIM HALLS

Mark your calendars now (only 3 months away!) for the 2015 Winter Retreat at Pilgrim Hills on President's Day weekend: February 13, 14 and 15. Pilgrim Hills is under new management, but Jeff is still running the camp; and there will be very little change, if any, in our retreat experience. The sign-up sheet will be hung on the Pilgrim Hall bulletin board around Christmas. Please contact Charles or Aimée Jannsohn if you have any questions, concerns, suggestions or ideas.

In preparation for a new game at the Winter Retreat (after 2 consecutive years, "The Best Game" will be sent to the bench), we have prepared a 50-question survey in which **ANYONE CAN PARTICIPATE**. You don't need to be a regular church retreat goer, and it's OK if you've never even attended the retreat. (But if you've never gone, shouldn't you be asking yourself, "Why not?")

For each question on the survey, just give the first answer that pops into your head. For example, when the survey asks you to name a church organist, it can be any organist past or present. We are not asking you to name the current person in each position, but if that is the first answer you think of, by all means, write it down. There are no right or wrong answers. Don't overthink it, just jot down whatever answer you think best fits the category. After you complete it, please give to Charles or Aimée Jannsohn. Or you can fill it out and e-mail it to us at jannsohn@cox.net. There will also be extra copies on the bulletin board in Pilgrim Hall for people to fill out. We're doing this now before we get too busy with the holidays. Won't you please do us a favor and take 10 minutes to quickly fill out our fun little survey on the next page? It would be much appreciated.
